This special event will honor the 2,976 men and women who died on September 11, 2001 with a patriotic display of 3’ x 5’ American Flags (one for each victim) spanning across the polo grounds in the Village of Oak Brook. The flags will be standing on 8 foot poles in perfect rows and columns.

The emotional display of 2,976 American flags is an experience like no other. The sense of patriotism our children and grandchildren will feel by walking through the field allows them to connect to our country’s forefathers in a unique way.

The Healing Field® will be open to the public and free of charge for 5 days with daily programs, informational booths, as well as an opening and closing ceremony.

This memorable event is a community fundraising project. Through support of our sponsors, personal donations, and flag sales, all funds raised are allocated to the True Patriots Care Charities.

Purchase a Flag

Show your support and become a part of this heartfelt event. Purchase one of the flags proudly flown for the five day event in Oak Brook. After the event, the flag will be taken down for you to bring home and continue to fly it proudly. Now is the time to show how much we care. The purchase of a flag is not limited to those honoring a first responder, someone departed, or who has served in the military, but can be dedicated to anyone.
